Integrated Indian School, Jleeb Al-Shuyoukh, Kuwait · Overall 80%

- English Core 92 · Economics 81 · Business Studies 77 · Physical Education 79 · Informatics Practices 71 · Accountancy 64

LEADERSHIP & COMMUNITY

House Captain · 2025 – 2026

Integrated Indian School, Kuwait

- Led school house through the academic year; coordinated and organized a school event that drew strong attendance and faculty recognition.

Volunteer, Free Medical Camp for Bangladeshi Expatriates · January 2026

Organized by Bangladeshi Professionals & Business Personnel in Kuwait, under the patronage of the Embassy of the People's Republic of Bangladesh, Kuwait

- Supported patient registration, documentation, and consultation workflow on the day of the camp.
- Received a Certificate of Appreciation signed by the Ambassador; continue to be invited to Embassy-linked community events.

WORK EXPERIENCE

Assistant Supervisor (Part-time) — Al Mohra Delivery Company · May – July 2026

- Supported the supervisor in coordinating day-to-day operations for a team of over 30 delivery drivers.
- Assisted with scheduling and performance tracking, and helped keep communication between drivers and management organized.

Store Assistant (Family Business) · Kuwait

- Managed customer purchases, inquiries, and cash transactions.
- Restocked shelves and maintained store presentation.

CERTIFICATIONS & INDEPENDENT PROJECTS

Generative AI Mastermind — Outskill

- Hands-on program applying generative AI tools to practical, real-world workflows.

Independent Project — Tactical 2v2 Shooter (Roblox Studio, Luau) · In progress

- Designing and building a first-person tactical shooter end-to-end — concept, mechanics, and build — as a self-directed way of applying software and design thinking outside the classroom.
